Canvas Transfer Price Chart

How to use:

1. Measure image height and width in inches
2. Add the two, rendering United Inches (UI)
3. Find the UI figure on the chart
4. Find the column fitting the service wanted
5. Cross reference the column with the UI

We hope this chart makes it easier for you to order from us. More importantly, we would like to make it easier for you to serve your client.

Non standard sizes are priced slightly higher
